## English Medium Students' Feedback

### Computer Laboratory

- We are attending Computer Lab classes with great interest and enthusiasm.
- In computer class, each one of us will have separate computer.
- We are learning Q-basic, typing, LibreOffice Writer, LibreOffice impress, LibreOffice Calc, Paint etc.
- In LibreOffice Writer we are practicing the following features – New Page, Fonts, Size, Font work, typing, open, save, exit, save as etc.
- In Paint, we have two apps called Paint and Paint 3D. In paint, we practice draw, paint, type, fill, erase etc. In Paint 3D, we use features like Select Magic Select, 3D shapes, 2D shapes, 3D view, Brush, Stickers, New, Open Save etc.
- In MSW LOGO, we use commands to draw specific shapes, colours, etc. We also learnt how to do calculations. We also used backward, forward, right turn, left turn, clear screen, clear text, hide turtle, show turtle and Seth etc. We also learnt how to draw flowcharts by using terminal box, Input/output box, processing box, decision box etc.
- We also learnt how to use smart art.
- Using LibreOffice Impress, we prepare slides with features like animation, Slide transition, slide layout, gallery, slide master, text box etc.

- 
- We learnt Hyper Text Markup Language to create hyperlinks in web pages by using Anchor <A> tag and its attribute HREF. We also learnt to create tables with Table tag and its attributes tableborder, bordercolor, cellpadding, cellspacing, tr, th etc. We also learnt to give link for images by using IMG SRC tag. We also learnt how to design web pages by using face, size, color attributes in Font tag, bgcolor, background, text, leftmargin, rightmargin in Body tag. We also learnt to create ordered List (OL), unordered lists(UL), Bold text (B), Underlined text (U) etc. in HTML.
  - We thank our school management for creating the great Computer lab facility for us.

### Telugu Medium Students Feedback

- We learnt many things about computers like
  - Different parts of computer, how to operate a computer, the positions of letters and numbers in the keyboard, typing quickly without seeing the keyboard, how to set time and date, how to open a file, how to save a file, how to draw pictures, how to use paint etc.
- We are very happy to attend the computer classes.
